 - In-Demand Jobs Week: First Week of May
 - Curricular materials in Grades K-12
 - BAC support? Ideas for this week?
 - *We are hosting an In-Demand Learning Lab for In-Demand Jobs week, where we are working with business partners to create scenarios or real world problems for students to solve in one-hour mini-"case study" sessions. Multiple companies are partnering together to build the scenarios - for example, for health care, the students will be asked to triage, diagnose, refer out and follow-up with a real-life patient experience*
 - *We will be hosting a 3-day Career Advisor (Navigator) training at the ESC. We are working with the Lead Program. Let me know if you need support. Focus on career navigation and THIS IS NOT a BOOTCAMP, it's a SPA time(Skills, Pedagogy and Awareness)!*
 - *Here at Southern Ohio ESC, one our counties is hosting a local Job & Community Resource Fair the first week of May, in conjunction with In-Demand Jobs Week. We'd be happy to connect and collaborate with others who are interested in further conversation. :)*
 - Piqua High School interested in Mock Interviews for seniors during this week
