## Free meals for students in 2021-2022 school year

The Ohio Department of Education received approval to offer free breakfast and free lunch to all students attending schools on the national school lunch program through the entire 2021-2022 school year. This opportunity continues the U.S. Department of Agriculture and Ohio Department of Education's dedication to meeting the needs of the whole child during the COVID-19 pandemic. The expanded program will provide nutritious meals to all students with fewer barriers.

Parents and guardians are still encouraged to apply for the free and reduced meal program at [www.lunchapplication.com](http://www.lunchapplication.com) after July 1st 2021 for next year. Approval is the only way to take advantage of free or reduced school fees, some sports fees, some testing fees and P-EBT programs that are attached to free and reduced lunch status. If you have any questions or need any help filling out the application please feel free to contact me at (937) 773-4321 ext. 6611.
