

## Curtain call for a class act

*Editor's Note: It is with sadness that we say goodbye to contributing writer John Hauer. He has provided us with a feature Class Act story for our Monday editions for the past five years. We will miss him and his stories about our Piqua teachers and educators. But, we wish him a happy retirement!*

**A**fter five years at Piqua High School and 44 years in education, I am retiring, again. I have written 170 Class Act stories. My purpose always has been to share and showcase the amazing staff of Piqua City Schools. PCS and the Piqua community have been very good to me, and I hope that I have been good for them.

—Thank you and goodbye,  
John Hauer
