Hailey McPherson: I attend Wright State University. My major is sports science with a concentration in sports medicine. My plan is to receive my bachelors degree from WSU & then attend a Doctorate of Physical Therapy school. My hopes are to go to either OSU or UC. Currently, I work at Premier Health as a rehabilitation aide. While working almost 40 hours every week, I am very proud to say that I have maintained excellent grades. Thank you for providing the opportunity for me to further my education.

Not only was Mr. Luby one of my favorite principals, but the Piqua Education Foundation is also dear to me, as you helped me attend college from 1994-98

I am happy to honor his memory while giving back to an organization that has blessed me so much!
