

Piqua City Schools

Pay to Play Fees

2022-2023

Parents,

Piqua City Schools is once again waiving all district 'Pay to Play' participation fees for the 2022-2023 school year. This includes all district athletics and music program participation fees as outlined below. Additional program fees may still apply and will be shared by the coach/advisor when the season begins.

Our goal is to keep the cost of participation low so students may have more opportunities to join extracurricular activities. We will continue to reassess our ability to do this yearly and communicate to parents accordingly.

Sincerely,

Dwayne A. Thompson

Superintendent

Piqua City Schools
