

Piqua City Schools Device Insurance

Piqua City Schools has chosen to provide optional insurance to parents to insure school-issued devices given to our students. Insurance will protect the device against an assortment of damages. This insurance policy will provide full replacement cost coverage. This policy is also transferable to a replacement unit if one is issued.

“In the 2020-21 SY, the district had 569 repair orders at a cost of \$9,531.55 the parents of these students wish they had purchased insurance”

A Chromebook costs \$275.00, a damaged keyboard costs between \$25-\$60, a screen \$60-\$85. Almost any part that you replace or repair on a Chromebook will cost more than the cost of purchasing insurance at \$26.00/device.
