Portrait Guidelines:

- Professional Appearance: The photo should have a professional look, avoiding selfies or casual snapshots.
- Neutral Background: A neutral background is generally preferred to avoid distractions.
- Appropriate Attire: Choose clothing that is appropriate for a formal occasion and reflects your personal style.
- No Distractions: Avoid including any distracting elements in the photo, such as clutter, animals, or objects that might draw attention away from the subject.
- School-Appropriate: Ensure that the photo adheres to the school's dress code and guidelines for yearbook photos.
