This agreement costs \$26 per student per school year for a total of \$275 worth of repairs, replacement and/or labor costs. Any costs above and beyond \$275 will be the responsibility of the guardians/student. Coverage is 24 hours per day. Damage(s) due to intentional reckless, willful, wanton and/or malicious conduct is not covered.

Effective Date and Expiration

Coverage is effective from the date this **technology protection plan is purchased through the end of the school year.** Subject to immediate termination for the failure to timely pay the premium, the coverage shall end on the date that the device is required to be returned to the school, whether or not that device is returned to the school by that date. **This is an annual plan.**

Premium

The total annual premium cost is \$26 for the 2022-23 school year. Payment is due by September 22, 2022 for the plan to continue to be in effect. The Technology Protection Plan is non-refundable. The Directory of Technology, in its sole discretion, will determine if damages were due to intentional, reckless,

willful, wanton and/or malicious conduct. This is an annual plan, previously purchased Technology Protection Plans will NOT cover the new school year. This insurance is not subject to waiver for free and reduced students as it is totally an OPTIONAL purchase; students/parents are NOT required to have this coverage.

How to Purchase the Technology Protection Plan

To purchase the Technology Protection Plan, please visit the OneView page on the district website and click on the “Chromebook Insurance” link on the page or use the direct link <https://www.piqua.org/1to1insurance.aspx>. Purchase and pay for the insurance for it to be active. Reminder this is an annual plan and does NOT extend from one school year to the next. Devices whose value do not warrant the purchase of Insurance will not be offered coverage.

If the Technology Insurance is Not Purchased

All damages and replacement parts will be charged at the current market rate with a labor fee of \$40-\$100 determined by the repair. Damage fees without the Technology Protection Plan will range between \$50 – \$275. If the cost of the damage exceeds a device's value, then a new device will be issued at a prorated cost not to exceed \$275. All damage, replacement parts and labor costs will be applied through the parent portal in DASL.

If Your Device is Damaged (if you have the Technology Insurance or Not)

Take your device to the buildings Media Center and inform the Media Center Specialist/Aide what the issue is with the device. A loaner device may be supplied during the time in which your issued device is being repaired. Loaner devices are only available to students that have submitted a damaged device to the Media Center.
