KELLY SNIDER Class of 1987
MITCHELL HAVENAR Class of 2016

The Piqua Promise is so near and dear to my heart. My son, Mitchell, was one of the first five recipients to be awarded this scholarship. This was one of the most amazing and rewarding moments of our lives!!! As a single mom for several years, this program was a life saver for us! We are so blessed and fortunate because of the people who have donated to the Piqua Education Foundation and so appreciative of the community support [given for us] to have received the Piqua Promise Scholarship.

My name is Mitchell Havenar [Kelly's son] and I was fortunate enough to be one of the few selected recipients of The Piqua Education Foundation/Promise Scholarship in 2016. I was planning to continue my education at Edison State later in the Fall and I anticipated on paying for everything out of pocket and having a sense of financial uncertainty. Prior to High School Graduation, I found out that I was going to receive the newly funded and established Promise Scholarship. It was the only scholarship I received, which made it that much more special to me. Receiving this scholarship helped pave the way for me during my time as a college student, obtaining my Associates Degree in Business Administration, and proudly becoming the first person in my family to graduate from college. I am forever thankful for the people who were a part of this process and helped me to achieve my academic goals.

Not only was Mr. Luby one of my favorite principals, but the Piqua Education Foundation is also dear to me, as you helped me attend college from 1994-1998. I am happy to honor his memory while giving back as a donor to an organization that has blessed me so much!

ETHAN GEVEDON

I thank you all greatly for your support and in selecting myself for a scholarship renewal. I am attending Bowling Green State University studying for my American Chemical Society Certified BS in Chemistry. After this year, I will be applying for a PhD program in Chemistry to continue my academic pursuits. I want to thank you all again for your support which helps me reach my goals as a scholar & citizen.

CORY COTRELL

I just wanted to thank you for allowing me to earn this scholarship. It means a lot not only to me, but my family as well. This scholarship will be used for helping me pay my tuition at Wright State Lake Campus. Alongside going to school at the Lake Campus, I will be playing baseball as well.

LAUREN MITCHELL
 Class of 2020

Ohio University

Thank you for the generous scholarship money. Please pass along my thanks to the donors. I am starting my sophomore year and am proud of the fact that I completed my first year of college, despite the fact that it was during a pandemic which has been very challenging for everyone. I continue to enjoy being outside, working out and spending time with my friends. I am so grateful. Thank you!

KYLEE ORNDORFF
 Class of 2021

Ohio Northern University

While in high school, I enjoyed Marching Band. I also went to Upper Valley Career Center's Early Childhood Program where I am proud to say that I earned my Child Development Associate credential before graduating from Piqua High School. I hope to be a preschool teacher with a bachelor's degree from Ohio Northern University. Thank you for the scholarship. It will help so much with college. I am grateful that you chose me for the scholarship.

ANNA WILLOUGHBY
 Class of 2020

Miami University Hamilton

I am writing to thank my community for the generous contributions you have made in helping me further my college education. I am beyond grateful to be a recipient of this scholarship and to have the opportunity to work towards a college degree. Currently I am a Junior at OU [transferring to Miami University Hamilton winter of 2022]. This simply wouldn't be possible without the tremendous support I have received from my community. I am lucky to come from a place that understands the importance of higher education and works tirelessly to provide their previous students with funds to help them achieve their dreams. I am proud to call Piqua home. Thank you so much for this gift.
