The Little Kinger Fund Athletic Scholarship 2014

The Little Kinger Fund is a non-profit organization established for the purpose of collecting and distributing funds to provide opportunities for girls to participate in athletics. The founder is Kristin King who played on the US Women’s Olympic Hockey team in the 2006 Winter Games in Torino, Italy where she earned a bronze medal. Hockey has enriched Kristin’s life in many ways. It has opened doors and allowed her to go places and do things that she never dreamed. It is her heart’s desire to give something back to the game, and give back to her community, by helping to provide some of those same opportunities for others. Kristin excelled to the highest level in women’s hockey but she was also a multiple sport athlete in her high school and college years and did well academically.

The Little Kinger Fund Athletic Award Scholarship of $1000 will be provided to a Miami Valley female high school senior who will be participating in intercollegiate athletics at a 4-year institution. Decisions will be made depending on athletic accomplishments, academic success and personal character. For this scholarship applicants will need to fill out the attached application form, provide two letters of recommendation, complete a personal statement, send a confirmation letter from their college/university athletic department and be willing to send follow up information if selected to receive the scholarship. The deadline for this application is April 30, 2014. Recipients will be notified once all applications have been reviewed.

Application checklist:
• Application
• Recommendation forms (from a coach and a teacher)
• Personal statement
• Signatures from Guidance Counselor and applicant
• Signed follow up information sheet
• Confirmation letter from coach or athletic department of college/university
