

School-Parent Compact
Washington Primary
2022-2023

Dear Parent/Guardian,

Washington Primary, students participating in the Title I, Part A program, and their families, agree that this compact outlines how the parents, the entire school staff and the students will share the responsibility for improved student academic achievement, as well as describes how the school and parents will build and develop a partnership that will help children achieve the state's high standards.

JOINTLY DEVELOPED

The parents, students and staff of PCS partnered together to develop this School-Parent Compact for achievement. PCS teachers suggested home learning strategies, parents added input about the types of support they needed and students told us what would help them learn. Parents are encouraged to attend annual revision meetings in the fall and spring to review the compact and make suggestions based on student needs and school improvement goals. Parents also are encouraged to participate in the annual Title I parent survey that is used as a tool to collect parent feedback regarding the current Title I programs and policies.

To understand how working together can benefit your child, it is first important to understand the district's and school's goals for student academic achievement.
